

MONTHLY UPDATE MAY 2023

About the Fund

The Fund aims to achieve long-term capital growth through a diversified portfolio of growth and income assets, with a specific focus on investments that are seeking to create a positive impact on our climate and environment. The Fund is also biased to investments with high ESG scores and currently invests in select ETFs.

FUND OBJECTIVE

To deliver returns exceeding the CPI by 4.0% per annum before fees and tax, over a suggested investment timeframe of 10+ years. The Fund also targets a lower MSCI carbon intensity than its market index over the medium to long term.
